

REMARKS

The Office Action mailed August 18, 2004 has been received and reviewed. In an effort to place the application in allowable form, Applicants have, by this amendment, amended claim 121.

Claim 121 was objected to by the Examiner. Applicants have amended the claim as suggested by the Examiner. Applicants submit that the amended claim overcomes the objection.

Claims 96-127 were rejected under the judicially created doctrine of obviousness-type double patenting. Applicants have submitted herein a terminal disclaimer relating to U.S. 6,552,303 and 6,710,299. Applicants submit that the filing of the terminal disclaimer overcomes the rejection.

Applicants submit that the application is in condition for allowance and notice to that effect is respectfully solicited.

Respectfully submitted,
FAY, SHARPE, FAGAN, MINNICH & McKEE
